

# Center for Academic and Professional Development (CAPD)

The Center for Academic & Professional Development was established to extend the resources of the Florida State University. Housed in the Augustus B. Turnbull III Florida State Conference Center, the experienced CAPD staff support a variety of learning opportunities as they provide services to colleges, departments, and students on campus and online.

## Professional Development and Test Preparation Courses

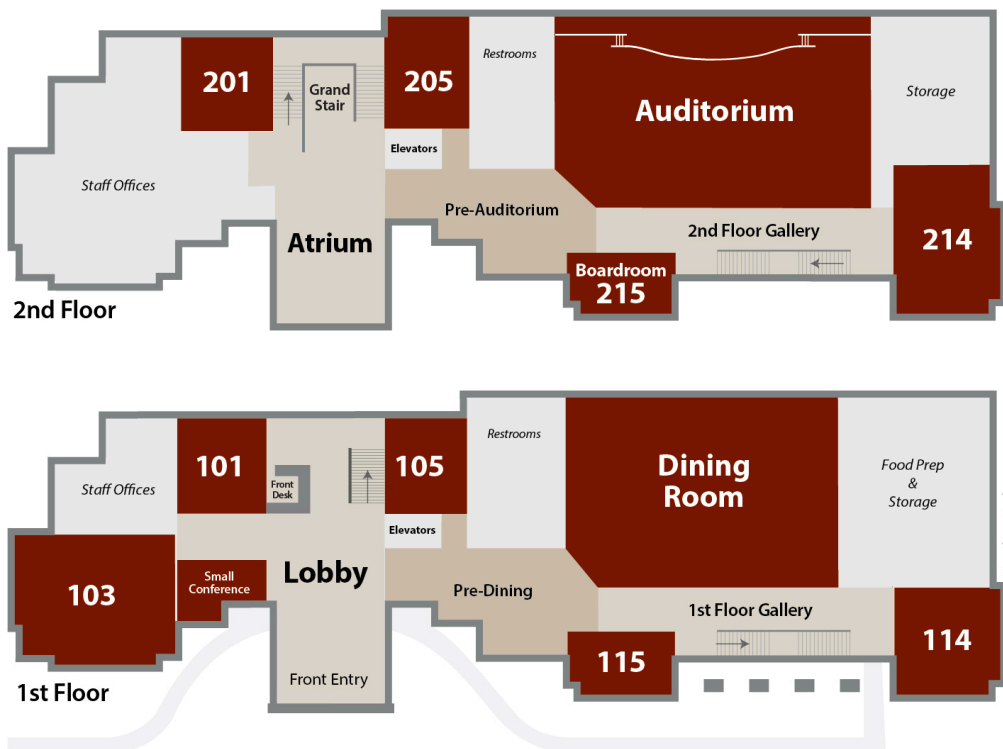

CAPD offers continuing education workshops and online courses that assist many professionals in maintaining their licenses or to stay competitive. These include courses in web design and development and a Certificate in Financial Planning, to provide the skills needed to be successful in today's work environment. The Center offers test prep courses for the GMAT, GRE and LSAT designed by a team of former standardized exam question writers and preparation experts to focus students on acceptance to graduate school.

## Academic Programs

CAPD provides academic credit courses, including part-time degree and certificate programs, for the nontraditional student and continues to identify and develop new course offerings to support lifelong learners. Courses are offered on and off campus and online. Specialized courses and teacher institutes are held each summer, including the FSU Holocaust Institute for Educators, the Orff-Schulwerk Music Teacher Education Course, and the Art Therapy Program. CAPD also coordinates returning student scholarship for students 23 years of age or older and administers summer camps for college departments.
