\* Allowable exclusions for FTIC students include those who left to serve in the military, church missions, foreign aid service of the federal government (e.g., Peace Corps), or any members of the original cohort who are deceased or permanently disabled.

Note: The fall cohort consists of full-time, FTIC students from the fall semester and the previous summer who continue into the fall. Students are followed through the end of summer so that each year begins with fall and ends with summer semester. The number re-enrolled is the number of students from the original fall cohort that were enrolled in the fall, spring or summer semester of the year indicated. The percent graduated is cumulative. Retention includes the number who re-enrolled plus the graduates of previous years.
